35TH

CLASS REUNION

Scrap Book

March 1977
Hi-
Here is the new address list. If you ever move, I would certainly appreciate it if you would send me your new address. Do you know the whereabouts of any of the "missing"? If we have you in the wrong class, we're sorry. The * names are the ones who attended the reunion.

Our reunion on August 7th was the greatest! We invited the classes of 1939 thru 1943 this time. The beach party from 1 to 4 PM at Central Beach was a huge success, courtesy of Buddy Ingle. About 75 there-- all asking "who are you"?

The Mexican Village was buzzing and bursting. 139 dinners. Walter (Lowe), in his fancy bicentennial shirt put on a super slide program of old pictures and a delightful narration with music. Betty Gene was very surprised - & delighted, to be presented with an engraved silver candy dish for her many years of hard work for the class of 41. June (Osborne) & Jack Tillotson rode their bicycles from Sacramento! 676 miles in 12 days! Such an achievement- and such energy!! Alta May King Reay and husband George came from Hawaii; Scott & Jackie Daubin came from Florida; Mary Ann Young Stacy from South Carolina; Betty Rodgers Casey from London, England; and Fritz called in (during the party) from the Santa Catalina chanel and talked to Walt over the "ship to shore" telephone line.

We were happy that Mr. & Mrs. Schafer could join us. They had such a good time, they have already made reservations for the next reunion.

The 40 door prizes were an extra added attraction-- thanks mainly to the efforts of Beebe Mathewson Johnson. Laura Jane York Innis and helpers did a great job with the name tags also - they were very helpful in "recognizing" old classmates.

The next morning, a small group went back to the Mexican Village for breakfast & more talk- and from reports, apparently there were small groups meeting all over town for breakfast.

We had \$90 in the treasury, minus \$50 for publishing and mailing this letter & list, leaving about \$40. If any of you would like to send a donation, it would be greatly appreciated. A portion of the dinner money at the reunion, went to our treasury.

The next reunion (for the class of 41) is planned for the summer of 1981. Maybe one of the other classes will plan a reunion before that and invite us!

The Committee,

Betty Gene Pittman

A MESSAGE TO THE SUPER CHS CLASS OF 41!

The United States "Bicentennial Anniversary" is coming in 1976, coincidentally with our 7th quintuple class reunion, or the 35th year. Betty Jean, Laura Jane and I (Walt) have planned some special and varied events--so please plan on coming to Coronado all day Saturday, the 7th of August, 1976.

The basic Reunion Agenda is:

- ...An afternoon beach party at the Central Beach Life Guard Tower.
- ...Reunion ceremonial dinner at the "Mexican Village" at 7:00 p.m.
- ...Dancing and socializing afterwards at the Hotel del Coronado about 10:00 p.m.

The objective of this letter is to gather data and bring our records up to date. The information on the whole class will be published and available at the reunion provided that--

- ...You send your data, even if no address change is necessary.
- ...We have enough funds.

Our schedule is as follows:

- A. Sept. thru Dec. - gather personal and class data.
- B. Jan. - summarize data, print invitations, and mail them.
- C. Feb. thru July - receive reservations and money.
- D. Aug. 7 - CHS CLASS OF '41, 1976 REUNION AT CORONADO.

We're doing something different this time, also. We're inviting CHS classes for the years 1939 thru 1943 to join us. A person from each class will act as coordinator to mail information and invitations, gather money, and keep Betty Jean, Laura, or me posted. If you know the address or whereabouts of persons from other classes in the San Diego, Coronado area, please send the info to Betty Jean. I'm betting we can get 100 CHS alumni to Coronado for the reunion and make Coronado really jump!

In closing, I've always known that the Class of '41' from CHS was "special". As time marches on and we gather historical data on our classmates, person for person we have been successful in many diversified fields -- medicine, engineering, housewiving, business, trades, military, the professions, and the arts. I can't find one failure in the human race from our class. It's something to be proud of. We have a great bunch of people and I know we'll make the great effort to attend and participate in the class reunion! God bless!

Class of 41 BICENTENNIAL REUNION COMMITTEE

A CHS "41" Reunion 76 Committee business meeting was held Sunday Morning, 20 June, at Betty Genes house in Coronado. Present were Betty Gene and Shelby (our adopted classmate) Pittman, Walt Lowe, Buddy Ingle, Laura Jane Innes, Ollie Kiernan, and Rosemary Blaisdell.

Buddy Ingle "volunteered" to take the responsibility for the Central Beach Party. He'll make arrangements for the umbrella with G/W streamers, a "Class of 41" sign, and liquid refreshments. Anyo ne wanting to help, contact Buddy or Betty Gene.

Laura Jane is handling the Mexican Village Dinner Administration of registering, name tagging, collecting m oney and present information, and door prizing. She'll be assisted by Rosemary, Ollie, and Martha Kiefer.

Walt and Bett Gene will collaborate for a review of all the class reunions in the form of an audio-visual show.

Betty Gene will receive the reservations and set up an accounting system to take care of our finances, with the help of Rosemary.

The door prize procurement is in the capable hands of Laura Jane and Buddy Ingle. Theyr'e going to need help. We need 5 to 10 door prizes, ranging from booze to potted plants, procured for free.

Buddy Ingle also volunteered to get the "canned" news release about the reunion in the local papers (Coronado Journal, San Diego Union, SD Journal, etc.) by the 4th of July issues in order to reach the alumni in the Sandiego area for the holidays.

It was decided to wait until after the reunion to publish the Class of 41 address list. Also, a goal is to get (clear) \$30.00 ahead in the treasury to pay for printing and stamps.

Walt promised to have a 95% complete agenda of the dinner and program by the next committee meeting, which will be on the 25th of July, 10:30 AM, at Betty Genes house.

There are approximately 50 paid reservations for the reunion. They are as follows, by Class:

Class of 39 - 1
40 - 16
41 - 20
42 - 11
43 - 2

So- we keep charging ahead and pushing and we'll have a great reunion of 100 to 150.

This is Your Invitation to the
CORONADO HIGH SCHOOL BICENTENIAL CLASS OF 41 REUNION
on SATURDAY, the 7th of AUGUST 1976, in CORONADO, CALIFORNIA

This will be the 4th reunion of the Super Class of 41 and we are so joyous it occurs in the same year as this country's Bicentennial Celebration, we are inviting the classes from 1939 through 1943 to join us. So pass the word and inform any alumni you are in contact with. Here are the activities:

CORONADO BEACH BUST - Central Beach, 1:00 - 4:00 PM

Come and join an afternoon at the beach talking, swimming, and drinking (beer?) Look for some green and white colored streamers to mark the center of activities. We'll be in between the lifeguard tower and the steps. We'll all try and guess who you are as you approach.

MEXICAN VILLAGE REUNION DINNER - 6:30 - 10:00 PM "Casual Dress"

6:30 Nostalgic Cocktail Hour

7:30 Super Mexican Village Dinner

8:30 Bicentennial Program by the Committee

Come early, have a cocktail, and reminisce with all your former classmates. The Mexican Village has been remodeled and we'll be in the largest banquet room. The cost is \$6.00, \$5.00 for the dinner, and \$1.00 for administration (printing the class list, invitation, etc.) and door prizes. The drinks are on you.

DISCOTHEQUE DANCE ENCOUNTER - 10:00 PM

Around 10:00 PM the more active and young alumni will meet at the latest "IN" dancing place in Coronado that can accommodate us. Let us know on the reservation if you plan on coming. It may not be the Hotel Del. We may need to relax after the long day and shake our bones doing the latest dances - "Hustle", Twist, and "Jitter".

NORTH BEACH SUBMARINE REGATTA - 2:00 AM

Those of us that are still up will meet at North Beach and show our wives or girl friends the Submarine Races off Point Loma.

Please get your reservations and money into Betty Gene by the 14th of July. We'll make reservations if you send us a minimum of \$2.00 (not refundable) and you can pay the rest at the door. We prefer the full amount.

If you would like to have one of these "invitations and reservations" sent to another classmate (39 thru 43), please send the name and address to Betty Gene Pittman, 667 J Ave, Coronado, 92118 or call her (714) 435-5213.

If you can't make it, please send Betty Gene information on yourself and any other classmates.

News Item:

CORONADO HIGH SCHOOL BICENTENIAL CLASS REUNION on,
Saturday, the 7th of August 1976
at Coronado, Calif.

All members of Coronado High School graduating classes of 1939 to 1943 are invited to the Super Class of 1941 in a Bicentennial Celebration Class Reunion.

The first gathering is the Coronado Beach Bust at Central Beach, from 1:00 to 4:00 in the afternoon. There'll be swimming, sipping, and conversation.

Look for the green and white colored streamers to mark the center of activities near the Life Guard tower.

The next event will be the Mexican Village Reunion Dinner starting with a cocktail hour at 6:30, dinner at 7:30, and a Bicentennial program at 8:30.

The cost is \$6.00, to cover the cost of the dinner, tip, and door prizes. The drinks are on you.

At 10:00, the more active and still alumni will meet at the latest "IN" dancing place in Coronado that can accommodate the group. They will need to relax after the long day and shake their bones doing the latest dances - the Hustle, Twist, Jitter, and the Bicentennial Bop.

The last event is the "biggie" - the North Beach Submarine Regatta at 2:00 AM Sunday. Those of the group that are still alive and awake will show their wives or girlfriends the submarine races off Point Loma (wink).

For information and reservations, please contact Betty Gene Pittman by phone, (714) 435-5213, or write at 667 "J" Ave, Coronado, Ca. 92118.

Alumni to meet after 35 years

Members of Coronado High School's graduating classes from 1939-43 have been invited to join the class of '41 in its 35th anniversary at a reunion Aug. 7.

The alumni will meet from 1 until 4 p.m. for a party at Central Beach, then head to the Mexican Village restaurant for cocktails at 6:30 and dinner at 7:30 p.m. After the meal, a Bicentennial

program is planned. The meal will cost \$6.

But that won't end the evening. From there, reunion planners have scheduled a 10 p.m. dance at an unnamed location, followed by a 2 a.m. trip to the North Beach Submarine Regatta.

For information or reservations, contact Betty Pittman at 435-5213 or write her at 667 J Ave., Coronado.

Class of '41 plans reunion 8/5/76

The Coronado High School Class of 1941 will host a reunion party for the graduating class of 1939-1943.

The party will include a get-together at Central Beach Aug. 7 from 1

until 4 p.m. followed by a dinner that evening at the Mexican Village restaurant.

For information or reservations, phone Betty Gene Pittman at 435-5213.

Reunion successful thanks to local effort

TO THE EDITOR:

...Just a note to let you know our Coronado High School reunion (classes 1939-1943) on Aug. 7 was a huge success.

First, I would like to thank the paper for publicizing the event.

Secondly, I would like to thank the Coronado merchants who so generously donated door prizes.

There were 140 that attended the dinner at the Mexican Village, and about 80 at the afternoon beach party.

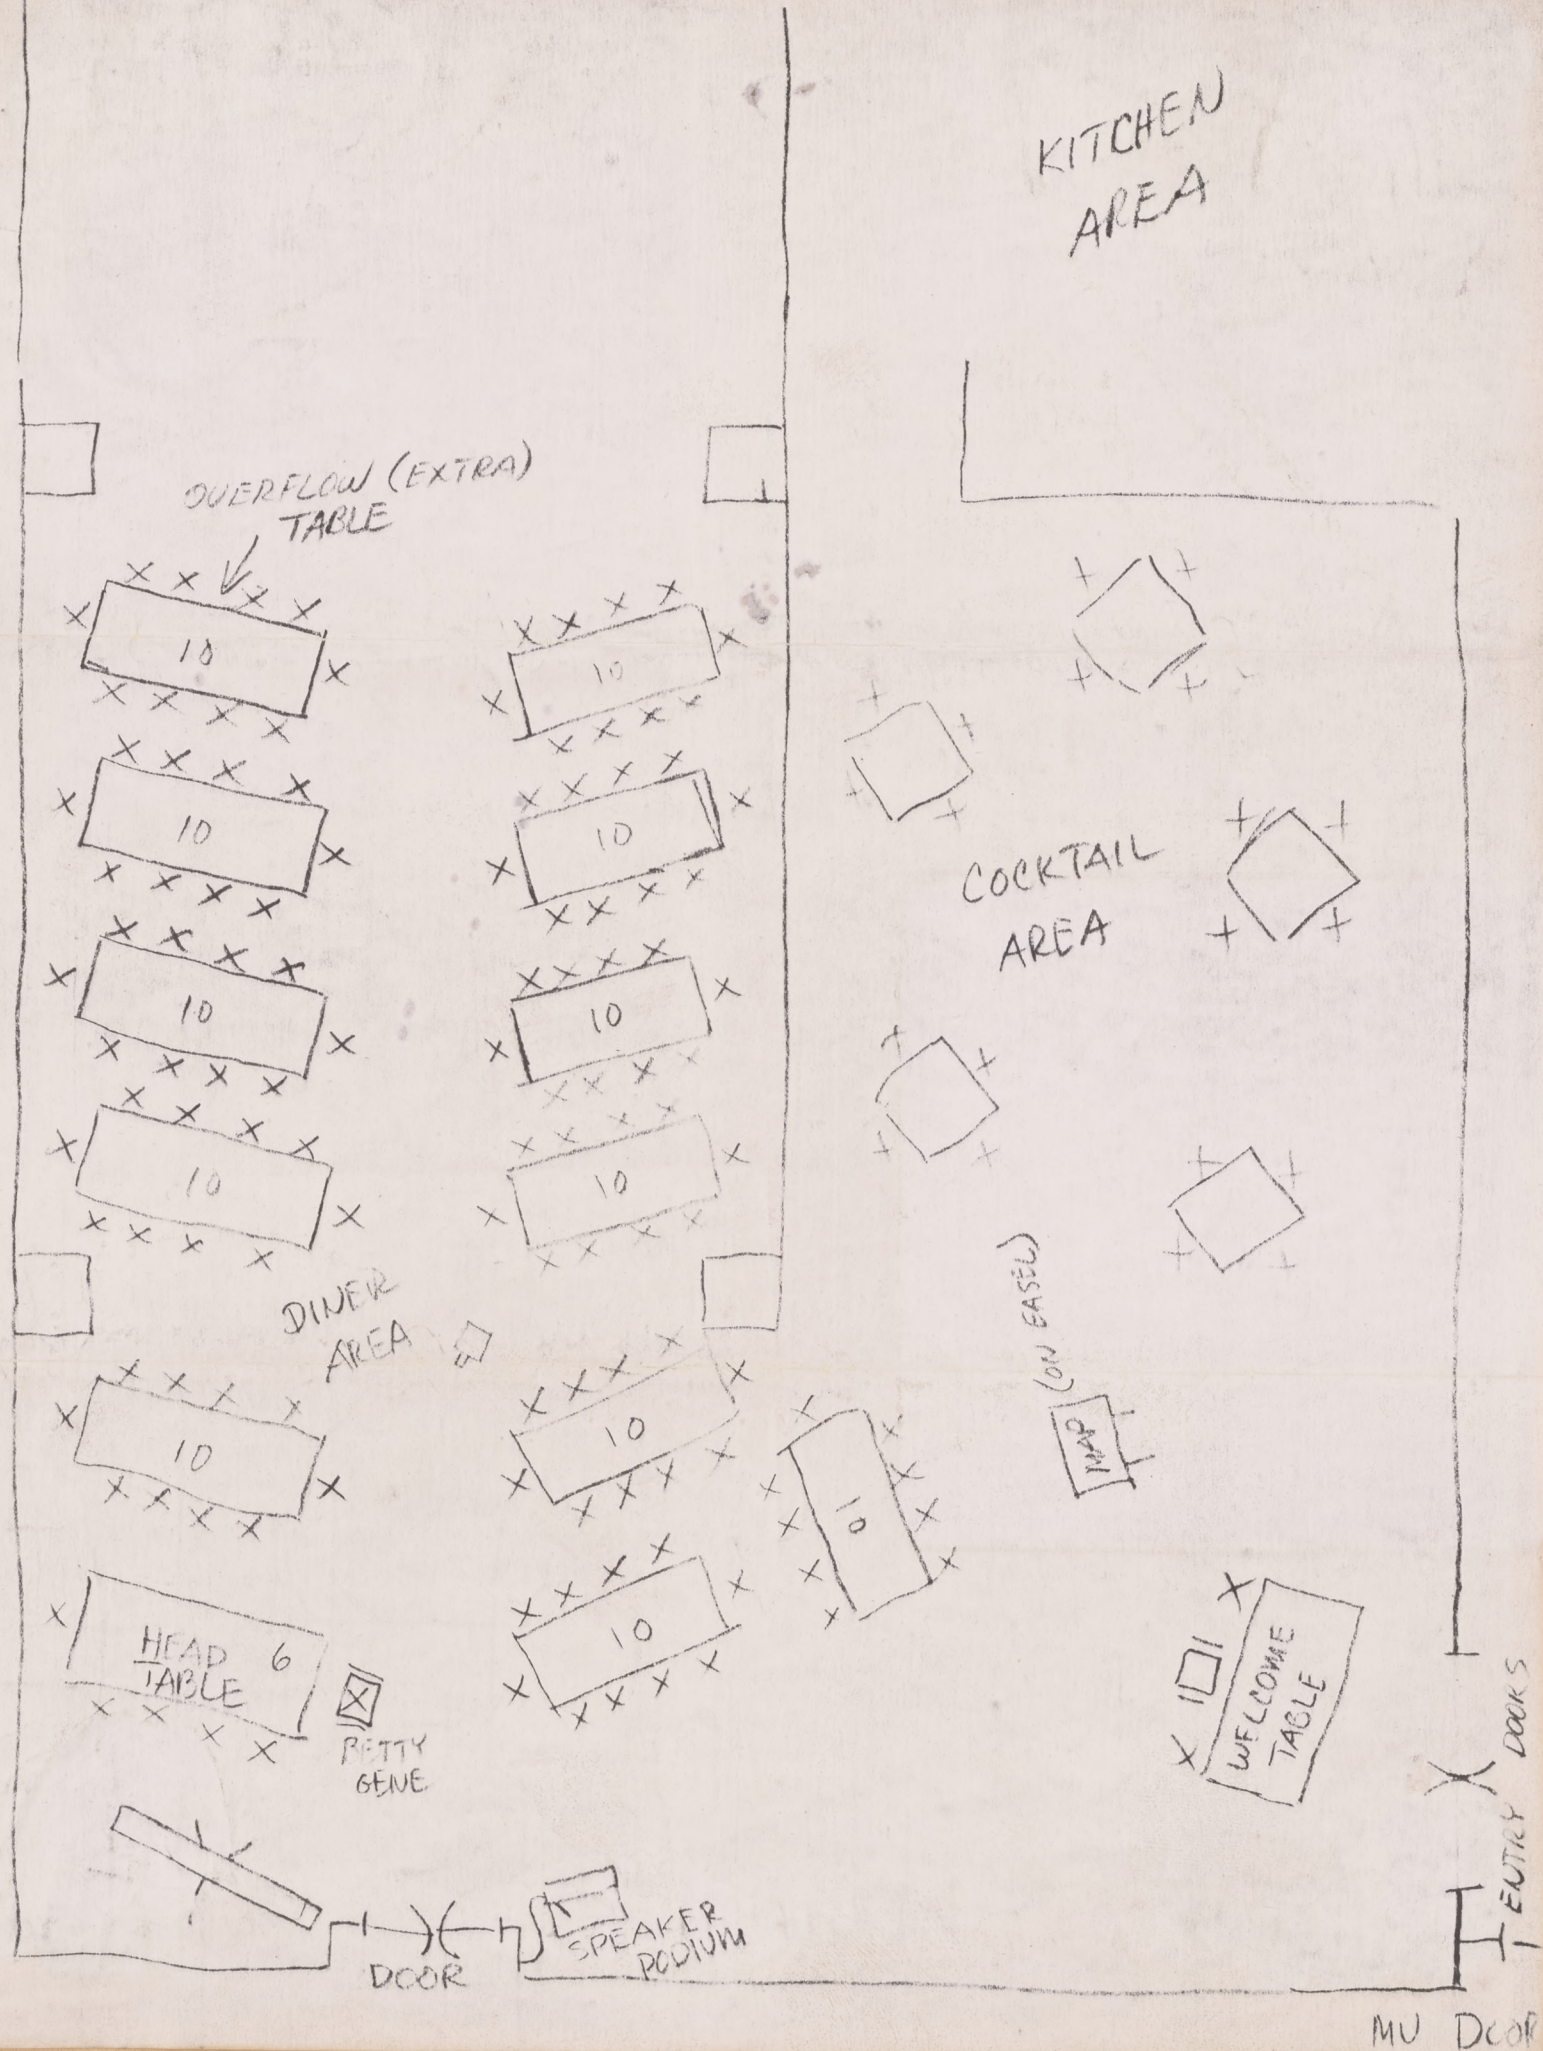

People attending came

from quite a distance: Betty Rogers Casey from London, England; Anna May Ray from Hawaii; Mr. and Mrs. Scott Daubin from Florida.

The honor achievement has to go to Jack and Jill Tillotson, who rode their bicycles from Sacramento "12" days.

Those who receive special thanks for extra effort are Betty Gene Pittman, Laura Jane Innis, Bebe Johnson and Walter Lowe.

SINCERELY,
CHARLES "BUD" INGLE

Dear Betty Gene et al.

Many thanks for the super-super reunion!
It was such great fun, even my husband, Johnny,
Class of '40 in Marshalltown, Iowa, had a ball!

You have a great organization, what a team -
you, Shelby, Laura Jean, Rosemary, Bud, Herman + of
course Walter. He was super. Really kept it moving
right along. Again, many many thanks!!

Enclosed are some snaps of the beach picnic.
Please keep them for your files. Also I have the
negatives, if you'd like them.

As always,

Beebe Johnson

Dear Betty Gene, Laura, Walt,
Buddy, Ollie, Rosemary -

Thanks a million for making
our 35th Reunion a memorable
one!

It was wonderful to see
our classmates "looking" so
well preserved and doing well in
their field - I'm looking for-
ward to our 1981 Reunion!

Enclosed are the snaps I
took - they're yours. Hope you
know their names.

Thanks again for a won-
derful Reunion.

REMARKS OR COMMENTS: You certainly have done an excellent job on this over the years. We ~~transferred~~ were transfered to the "land of the tall corn" last June-had to build a house - am out in the country-there are 80 acres, 29

houses in all- have our own lake-lots of birds and deer-also fishing-inclosed picture of house during construction-Still do a little flying-company has a twin-my son and wife live in Colorado-that is good country-hope to settle there in a few years-there are certain advantages in country living, but we miss the good stores that Chicago area has, however the peace and quite and no pollution or smog are great, also it only takes me 3 minutes to get to plant-no freeway traffic jams to fight, home for lunch-in summer can cast a fish line-country club excellent-also golf course-cost \$100 per year. Have oldest college west of the Mississippi here, Iowa Wesleyan College-in 1857 when rail road arrived Mt. Pleasant, population was 3,500, today it is 7,005 so we havn't grown much-is a farm area with excellent crops-many rich farmers all in all not to bad, could be better, but also worse.

Merry Christmas and a Happy New Year

Very warmest regards,

P.S..

Give my best regards to Walt.

Dear Betty Gene,

Congratulations on your success in organizing yet another reunion of that sterling class of '41. This one looks as though it's to be the biggest one yet. My chances of accepting are beginning to look doubtful. Nimi still lives with us, my brother, Skip, and his family are coming in August and several other weak reasons seem to stand in the way.

I know you have "lost" Scott Daubin I think I have "found" him. As of 1974 he was in the Oceanographic Department of Miami Univ, Florida. His address was (and I think still is):

Scott C. Daubin
115 Sunrise Drive, Apt. 5A
Key Biscayne, Fla. 33149

I am still trying to "find" Richard Cross for you. I have to go to Washington to the hospital in April and while there I will try and find his address.

Nimi has a good job - just what she was trained for - and we are most proud of her. Her hours are a bit of a strain - 1:00 PM to 10:00 PM, which means she gets home around 10:30 P.M. Of course when she gets home she requires a drink and dinner just as any hard working business man does. Major's or I get to do this. I enclose a picture and a brief article about her as printed in her college newspaper.

So far we are kind of stuck here.

Dear Betty Gene,
What a good correspondent you are! Your very
prompt reply to my letter and most albums are
much appreciated. I have written to Fred Dickey
and am now awaiting for a reply. Thank you
also for the Rehabilitation Gazette which
arrived a few days ago. I am sending in the
application for Mimi to receive future issues.
I had many good ideas and described appliances
etc. I had never even thought of. We have
subscribed for some years now to "The Squeaky
Wheel" a copy of which I am sending you
separately.

Mimi is a C-7 quadriplegic. She is
completely paralyzed from the chest down
but does have good use of her arms and
reasonably good use of her hands. She
can type on an electric typewriter. On the
other hand she cannot play the piano any
more. Her attitude is fine. She just finished
getting her M.A. in Education from the U. of
Ala. and is now resting here at home and
carefully avoiding seeking a job. I am keep
after her and keep telling her she can't live
with her aging parents forever, stuck way out
here in rural Virginia. So far, she seems happy
to do just that. She also drives her specially
equipped car and can usually transfer from
wheel chair to car and vice versa. She
cannot get her wheel chair into the car so somebody
else has to do that.

I'll remember to try and get Richard Cross'
address the next time I see him - if ever.
Again, thanks, Betty Gene and best wishes.

Yours gratefully,
Bill

Blacks Lead Activities RCC Students Sponsor Black History Month

Black History Month -- February -- has been termed the most successful student sponsored activity this year.

Dr. Mike Sanderson, Associate Dean of Instruction, said that in terms of student participation and enthusiasm, the black students have shown more success in the college's extra-curricular activities through their participation during Black History Month.

Approximately 30 black students lead in three performances and sponsored several displays on campus commemorating black History. There were bulletin board displays, library displays and the "Hampton

Album" photograph display.

Under the direction of Mrs. Dorothy Cooke, Assistant Professor of Mathematics and Counseling, the on-stage performances began on February 16 with Rev. Joseph Marlin speaking on "Why Black History."

On February 18 "We Too Are Americans" was presented in the lecture hall and marked the most active of all performances. Projector slides were shown to the theme from "Shaft" by Issac Hayes. The slides were followed by The Speech Choir who recited the poem "I, Too, Sing America." Following them were a group of singers who sang a melody of negro spirituals and a solo

S.G.A. Petitions C

On December 1, 1975 the South Campus Student Government Association (S.G.A.) voted in favor of seven resolutions, five of which passed unanimously, calling for, in essence, more efficient scheduling and curriculum planning. It was also decided at the meeting to word those resolutions into a petition and to circulate it among the full-time students and to send copies of the petition to the Board of the College. Between 2 p.m. December 1, and 3 p.m. December 2, 1975, 102 of the approximately 250 full-time students signed.

Dr. John Upton, President of the college, was due to leave the area on December 3, and was not to return until after the Christmas recess had started. Therefore, on December 2, at 4 p.m., one hour after the petition had been complete, Dr. Upton met with a special committee of the S.G.A., received the petition, and promised to give it his consideration. Members of the committee were: S.G.A. President Candi Reynolds, Vice-President Don Caskie, Secretary-Treasurer Denise Rhea and Senators Bruce Boles, Anita Lee and Danny Rigau.

A meeting of the college President, the S.G.A. committee, the College Board and the Associate Dean of Instruction was arranged on January 14, 1976, to better define the seven resolutions and to seek specific potential solutions. The results of that meeting, according to the S.G.A. committee, were disheartening. In their opinion the Board

was concerned, but responsive to the petition.

The President formally in writing of the petition and then on February 5, 1976, had reviewed the matter with his staff.

After the January meeting, the six-member S.G.A. committee upon an individual discussing the even the company of other members. The members indicated that administrative action, although inquiry into no mechanism existed for retaliation.

Asked about the committee members that it would petition to the College Community Center if necessary.

The slides were followed by The Speech Choir who recited the poem "I, Too, Sing America." Following them were a group of singers who sang a melody of negro spirituals and a solo by Lenora Rice. After that, a group of dancers came on stage and did a modern dance to the song, "Reach Out and Touch." Following them was Wanda Diggs singing "Young, Gifted and Black." The program was highlighted by a speech titled "The Black Revolution" by James Jackson. Reginald Dabney then sang a solo -- "Lord Won't You Let It Rain" -- a song written by Mr. Dabney.

On February 19 Miss Grace Walker was scheduled to speak on "The Honey Pod Tree," a book written by her father, Mr. Thomas C. Walker, a Gloucester County attorney. However, due to Miss Walker's illness that day, her speech was cancelled. "We Too Are Americans" was performed by the same group on the North Campus on March 2.

Mrs. Cooke said that more performances are planned in the future as a result of the enthusiasm of the students and because of several requests.

On December 1, 1975 the South Campus Student Government Association (S.G.A.) voted in favor of seven resolutions, five of which passed unanimously, calling for, in essence, more efficient scheduling and curriculum planning. It was also decided at the meeting to word those resolutions into a petition and to circulate it among the full-time students and to send copies of the petition to the Board of the College. The President responded formally in writing to matters of the petition and the meeting on February 5, 1976, after he had reviewed the matter with his staff.

After the January 14 meeting, the six-members of the S.G.A. committee agreed upon an individual silence, discussing the events only in the company of other committee members. The committee members indicated they feared administrative retaliation, although inquiry indicates that no mechanism exists for such retaliation.

Asked about the next step, the committee members replied that it would take the petition to the Chancellor of the Community College System if necessary.

The *Bull Crier* interviewed Dr. Upton in reference to this controversy. He seemed genuinely concerned about the welfare of the students of the college, according to reporters John Fayhee and Thom Holland. "He had what he considered appropriate responses to each of the resolutions and the ensuing points in question."

In dealing with the petition itself, Dr. Upton cited the ambiguity of the resolutions. They offered not potential solutions to the problems, a situation that, in Dr. Upton's

Night Administrator

Miss Mimi Masek has accepted the position of Night Administrator with Rappahannock Community College at the South Campus.

Miss Masek has a Bachelor of Science degree in Psychology and an M.A. in Guidance Counseling from the University of Alabama. Her responsibilities include coordinating the activities of night students and other administrative functions. Miss Masek is available Monday thru Thursday evenings for counseling and student assistance. She may be contacted at the Student Services office.

Prior to Miss Masek's appointment, members of the college Administration alternated night duty at the campus. Often, students who needed assistance or information would have to talk to different counselors, or wait weeks until the counselor who had initially assisted the student, to return to duty.

Miss Masek's arrival is a welcomed experience. Welcome aboard, Mimi Masek!

opinion, could slow down the process of reform. Also, he noted the financial inability of the school to correct some of the problems. Examples of this point are: (1) the financial infeasibility of replacing part-time faculty with full-time faculty, and (2) the financial impossibility of offering some required classes both at night and during the day, due to low enrollment. Furthermore, the President said that the college is as responsible to part-time students, day and night, as it is to full-time students.

In reference to the method of delivering the petition to the Administration, Dr. Upton said that he felt he was not given enough time to formulate an educated response, and that the S.G.A. would have done better to go through existing channels.

In an interview, Dr. Mike Sanderson, Associate Dean of Instruction, said that the S.G.A. committee had not come to him with the problem before drawing up a petition or seeing the President.

As a result of the student's petition, and to meet the student's desired ends, Dr. Sanderson is working on the feasibility of:

- (1) Supplying a year-long curriculum calendar.
- (2) Returning to a five-day week.
- (3) Hiring part-time faculty that can hold more office hours.
- (4) Eliminating all intracurricular scheduling problems.

These four possibilities have been put in the form of an official communique from Dr. Upton to the S.G.A.

Copies of the S.G.A. petition and the President's response are available in the Rapp Sheet.

Dear Walt & Betty Jean,

Just came across your //green sheet// in the clutter of my desk this morning and realized I had not made any reply on the reunion query. In fact, I have managed to completely mislay the data sheet you had enclosed fro background on ourselves and our families.

The August date sounds as good as any to me for such an occasion. If I am not away on an extended fly-fishing trip for trout in the Rock~~x~~ies then, I will probably try to make it. However, Idaho and Montana beckon me most irresistibly about that time of year when the rivers have dropped to fishable levels and the big trout are hungry.

I'll probably try to get my Oregon fishing done in July to simplify the shheduling for the Coronado visit. When both my boys were still home we used to make our ocean fishing trips about that time, but they are both on their own now.

Brooks, our deaf son, is now teaching art in the Louisiana State School for the Deaf at Baton Rouge, started last August. He doubles as the track coach on the side for the deaf pupils. He is 26.

Jeff, our second son, now 23, joined the Navy last May and is now on sea duty as a ~~XXX~~ Gunner's Mate 3/c on the Cayuga, one of the newer LSTs, which is operated out of Cebu in the Philippine Islands. Both of them are single, so Pem and I are not in the grandparents' ranks...at least as far as we know.

I am still functioning as the farm editor here at the Fresno Bee. Got the McClatchy //golden goose// last year which is a bond that goes to 25-year employees from the owners.

I might get down that way sometime this month. My publication, California Country Life, is a winner again in the California Newspaper Publishers Association's annual contest, and I may go down to the award ceremonies in San Diego to receive our plaque Feb. 20.

Dear Betty Jean

It would be great to attend the
class reunion on Aug 7th, but the way
things are going — we can't count on it.
If we suddenly show up — would we
be welcome? My sister Jody died last
year — which was a great shock to me
and to her friends.

Hope to see you all

Dear Walt & Betty Jean,

Just came across your *//green sheet//* in the clutter of my desk this morning and realized I had not made any reply on the reunion query. In fact, I have managed to completely mislay the data sheet you had enclosed fro background on ourselves and our families.

The August date sounds as good as any to me for such an occasion. If I am not away on an extended fly-fishing trip for trout in the Rock~~x~~ies then, I will probably try to make it. However, Idaho and Montana beckon me most irresistibly about that time of year when the rivers have dropped to fishable levels and the big trout are hungry.

I'll probably try to get my Oregon fishing done in July to simplify the scheduling for the Coronado visit. When both my boys were still home we used to make our ocean fishing trips about that time, but they are both on their own now.

Brooks, our deaf son, is now teaching art in the Louisiana State School for the Deaf at Baton Rouge, started last August. He doubles as the track coach on the side for the deaf pupils. He is 26.

Jeff, our second son, now 23, joined the Navy last May and is now on sea duty as a ~~KKK~~ Gunner's Mate 3/c on the Cayuga, one of the newer LSTs, which is operated out of Cebu in the Philippine Islands. Both of them are single, so Pem and I are not in the grandparents' ranks...at least as far as we know.

I am still functioning as the farm editor here at the Fresno Bee. Got the McClatchy *//golden goose//* last year which is a bond that goes to 25-year employees from the owners.

I might get down that way sometime this month. My publication, California Country Life, is a winner again in the California Newspaper Publishers Association's annual contest, and I may go down to the award ceremonies in San Diego to receive our plaque Feb. 20.

Sic semper nostalgia,

Leo Dollar

Dear Betty Gene,

Yes, put Pem and me on the list. We'll be making the trip to Coronado in a rather hurried fashion, since neither of us will be taking any vacation time then. (I'm hoarding my remaining two weeks for another shot at Idaho-Montana fly fishing this fall, or at least a jaunt to Oregon rivers... and Pem has already used up her vacation allowance at Sears)

But we are both looking forward to the big gatherin' of the Coronado clan in August. Our youngest son is back in San Diego, with his Ship...LST Cayuga (1158) ...after a four month hitch in the Phillipines, so we are a bit more eager than usual to get down that way again. We saw him in late May when the flotilla first returned to the States.

Maybe we can set some kind of new high for attendance this time.

Cordially,

Leo \$

I am sorry to say that I can not make the class reunion. My husband and I are on a six months tour (camping) of the U.S. - a long awaited retirement project. The gathering sounds like fun !!

My history: after graduating from CHS I attended the U of Arizona a year - was married in November 1943 to Ed Lupton and am happy to say we are still married and still enjoying life together. We have two sons and two daughters. The three older ones are married and "our baby" (2.4 years) will be married this fall.

Dear Betty —

The Class Reunion sounds great, & I really wish I could attend. Unfortunately, my husband & I are retiring to Salmon, Idaho (population 3,000 !!) in June. Not too sure I can take this life of leisure, and hunting, fishing, etc!

Right after graduation, I entered nurses training at Mercy Hosp in San Diego — same class as June Osborn Gillston & Zelma Godbout Johnson. Married secretly while in training & after graduation worked off & on thru the years. Had 4 boys & 1 girl: Michael (died at age 22 of cystic fibrosis in 1969) Douglas (died at age 6 mos of cystic fibrosis) Robert now age 24, David now age 21, and Gerri — a lovely 15 yr old red head, who is presently a sophomore at Paway Hi School.

This is Your Invitation to the
CORONADO HIGH SCHOOL BICENTENNIAL CLASS OF 41 REUNION
on SATURDAY, the 7th of AUGUST 1976, in CORONADO, CALIFORNIA

This will be the 4th reunion of the Super Class of 41 and we are so joyous it occurs in the same year as this countries Bicentennial Celebration, we are inviting the classes from 1939 through 1943 to join us. So pass the word and inform any alumni you are in contact with. Here are the activities:

CORONADO BEACH BUS - Central Beach, 1:00 - 4:00 PM

Come and join an afternoon at the beach talking, swimming, and drinking (beer?) Look for some green and white colored streamers to mark the center of activities. We'll be inbetween the lifeguard tower and the steps. We'll all try and guess who you are as you approach.

MEXICAN VILLAGE REUNION DINNER - 6:30 - 10:00 PM "Casual Dress"

6:30 Nostalgic Cocktail Hour

7:30 Super Mexican Village Dinner

8:30 Bicentennial Program by the Committee

Come early, have a cocktail, and reminisce with all your former classmates. The Mexican Village has been remodeled and we'll be in the largest banquet room. The cost is \$6.00, \$5.00 for the dinner, and \$1.00 for administration (printing the class list, invitation, etc.) and door prizes. The drinks are on you.

DISCOTHEQUE DANCE ENCOUNTER - 10:00 PM

Around 10:00 PM the more active and young alumni will meet at the latest "TNT" dancing place in Coronado that can accomodate us. Let us know on the reservation if you plan on coming. It may not be the Hotel Del. We may need to relax after the long day and shake our bones doing the latest dances - "Hustle", "Twist", and "Jitter".

NORTH BEACH SUBMARINE REGATTA - 2:00 AM

Those of us that are still up will meet at North Beach and show our wives or girl friends the Submarine Races off Point Loma.

Please get your reservations and money into Betty Gene by the 14th of July. We'll make reservations if you send us a minimum of \$2.00 (not refundable) and you can pay the rest at the door. We prefer the full amount.

If you would like to have one of these "invitations and reservations" sent to another classmate (39 thru 43), please send the name and address to Betty Gene Pittman, 667 J Ave, Coronado, 92118 or call her (714) 435-5213.

If you can't make it, please send Betty Gene information on yourself and any other classmates.

Dear Betty - Gene -

Sorry that I'll be unable to attend the reunion - but between my knees (degenerative arthritis) & recovery from a yr. long illness I'm afraid it would be too much for me especially the beach. My husband is Industrial Relations mgr. for a chemical plant.

We have 3 children: Eric is a graduate of the Naval Academy & is a Navy pilot stationed on Guam. Lisa is completing her 2nd yr. at Modesto Jr. College & will go to U.C. in the fall & has been accepted in the Chem. Engineering dept. at U.C. Christine is a senior at Davis Hi & attends in the a.m. & goes to MSC (Modesto Jr. College) in the afternoon. Both girls have part-time jobs. Christine is a line officer in Job's Daughters & will become Honored Queen in Jan. '77. I'm Chairman of Music for her Bethel (Job's Daughters). Also I'm active in the League of Women Voters, though my health has forced me to limit recent activities to being the Telephone for the League. So if anyone phones the League, I answer (at home) & handle all questions. This has been my job for 3 yrs. & it's fun. Past activities include: Dea Mother; Brownie Leader; Jr. Girl Scout leader; Hospital Auxiliary, patient service (8 yrs); volunteer teacher's aide, 1-2 days wk., 3 1/2 yrs., really enjoyed that, 3 yrs. in an EH class; AAOV member; Active member of Episcopal Church; Past Pres. of various Guilds, etc.; substitute organist (4 1/2 yrs); etc.

Thanks for including me in the invitation

Appreciate receiving the form but I was not a member of the CHS class of '41. Actually never did go to CHS although I did go to the Elementary and Jr. High for 5 years in two different sessions, graduating from the Jr. High in '37. I would have been in CHS '41. Haven't lived in Coronado since although my brother Syde who would have been in '39, now lives in La Jolla. I can remember Jr. High teachers like Varner, Riordan, Max Forney, Cotton, and possible CHS '41 members, such as Bill Masek, Julie Ferguson, Roy Farmer, Bill Mc Larson. Hope your reunion is a success.

Dear Betty Gene, **Aileen Copey Sumner**

I appreciate the invitation to the Coronado High School Class Reunion but there is just no way I can make it. my oldest daughter's ^(Cheri) husband graduates from Texas A & M University on Aug. 6th as a Veterinarian. We will be helping them to move back to Florida where he will be head of a Clinic in Blountstown. ~~Fla~~ They have one child, 5 year old Caraldeen. (named after her Grandmother, of course) She starts to Kindergarten this fall.

Our second daughter Jolene is married to an Air Force Captain who is a plane commander on a C-5. They are presently stationed in Dover, Delaware. They have a 3 year old girl - Kimberly.

Greetings from Florida to the Class of '39" July 6, 1976.

Dear Betty Gene, **Alleen Copsey Sumner**
I appreciate the invitation to the
Coronado High School Class Reunion but
there is just no way I can make it
my oldest daughter's husband graduates
from Texas A & M University on Aug. 6th
as a Veterinarian. We will be helping
them to move back to Florida where
he will be head of a Clinic in
Blountstown. ~~Also~~ They have one child
5 year old Coralleen. (Named after her Grand-
mother, of course) She starts to Kindergarten
this fall.

Our second daughter Jolene is married
to an Air Force Captain who is a plane
commander on a C-5. They are presently
stationed in Dover, Delaware. They have
a 3 year old girl - Kimberly.

Dear Betty & Shelby,

Everyone had such
a good time Saturday.
Thank you so much for
all the work.

Wanted to tell you
how nice both of you
looked, as well as
how appropriate in your
school colors.

You're both looking
very well.

Spoke to Stan
Eggers as I drove thru
the bridge gate. Said he
had to work that nite.
I didn't realize he was
in the class of '42. I
think that's what he said.

Just hope all of

Dear Betty Gene,

Many thanks for the picture and the new address list. You did a great job to get all of our classmates located that you did.

My apologies for taking so long with my answer. I have enclosed a contribution ^{\$15} toward replenishing the treasury. It looks like Leo Dollar and I got ourselves right in the fore part of that picture. I should probably have included a little extra just for that exposure.

Dear Bill, Gene,
Laura Jane,
Walter,
Beebe,
Shelby,

You're wonderful!

Thank you for making it possible to see the old high school clung! Wasn't it fun! You are all to be thanked & congratulated for your many many efforts. Plus those who helped you as Jimmie Rosemary did, & others. Wasn't it rewarding to have so many come from so far? And the letters from some who couldn't come.

What a fun thing for Cosh to hear that beautiful handle you so generously gave me; "Pretty Betty."

Take good care of yourselves.

No matter what anyone says or whoever helps you, Betty Gene if it weren't for you none of us would get it together. You can take my class, '40 for example, no one does anything for us except you. We love you and thank you. We are looking forward to your next invitation.

City loses 'devoted' fireman of 33 years

AUG 12 1976

TO THE EDITOR:

On Aug. 1, 1976 the Coronado Fire Department lost one of its most devoted firemen who retired after 33 years of service.

This man trained recruits to be first class firemen then trained them to drive and operate the equipment.

On duty as well as off, if there was a fire you could always depend on this man to be there not asking for extra pay or time off for his effort, but just doing what he had to do.

So after 33 years the city just let this man walk out at

9:30 a.m. with no special thanks or retirement badge.

They did let him work that morning for 1½ hours so he wouldn't owe the city anything.

Makes me wonder about devotion.

All I can say is thanks Capt. Paul Davy and a job well done.

One of your formal trainees.

CAPT. JOHN J. CLARK

Coronado Fire Department Editor's note: Capt. Davy will be receiving a retirement badge from the department.

Bailiff, Denied Pay Hike, Quits With Blast at Bird

SAN FRANCISCO—The bailiff the center of an unusual controversy within the state Supreme Court Thursday he had given up his job for a \$119-a-month pay increase was retiring amid low morale of court's staff.

At a 90-minute news conference the bailiff, **Paul L. Ludlow**, disclosed to reporters a series of court memoranda indicating an administrative power struggle between Chief

ference table was rearranged to accommodate Bird's aides, he said. An aide to the chief justice, asked for comment on Ludlow's charges, issued the following statement: "The chief justice is sorry Mr. Ludlow is angry that he did not get the raise he wanted before he retired. Yesterday the chief justice gave a party for him to wish him well on his retirement. She is happy to make those good wishes publicly as well."

The dispute over Ludlow caused a sharp division within the court over who has final authority over staff selection and pay: the justices collectively, acting as "the court," or the chief justice, who also chairs the Judicial Council, the administrative arm of the state court system.

The resulting controversy reflected some of the same personal conflicts among the justices and morale problems among the staff that emerged

John Schuyler Wilbur

John Schuyler Wilbur, 64, a former resident of Coronado, died Feb. 5 in a hospital in Yuma, Ariz., after a lengthy illness.

A native of New York, Wilbur moved to Coronado in 1930 where he resided for a number of years.

He is survived by his wife, Elizabeth of Yuma; two sons, Robert P. Somerton, Ariz., and

Brooks of Maryland; two daughters, Mrs. Elizabeth Hulette of Tucson and Mrs. Kathryn Hall of Maryland; his father, John Palmer Wilbur of Coronado; a brother, Robert P. Wilbur of Yuma; and a sister, Mrs. Suzanne Cless of Coronado.

Memorial services held for Carl R. Kruger

Memorial services were held March 3 in Marysville, Calif. for Carl Raymond Kruger, a longtime resident of Coronado, who died March 1.

Kruger moved to Marysville in 1973 after retiring from the Air Force as a master sergeant.

A native of San Diego, Kruger was raised in Coronado and spent most of his adult life here.

He graduated from Coronado High School in 1943 where he was a four-year letterman in both football and track. He also played all four years in the All-Metro League for football.

Kruger joined the Army in 1943 and served until 1945. He then enlisted in the Air Force and served there until his retirement in 1973.

He held a life membership in the Yuba City

Veterans of Foreign War Post.

Kruger is survived by his wife, Nellie, of Marysville; a sister, Charlotte Hillegas of Imperial Beach; a brother, Arnold Kruger of Coronado; a son, John Johnson of Goleta, Calif.; a nephew, David Kruger of Imperial Beach; and a niece, Shirley Brantley of Costa Mesa.

The family suggests contributions to the VFW Cancer Fund.

Editor honored by farm bureau

Leo Dollar, formerly of Coronado and editor of the Country Life section of the Fresno Bee for the past 20 years, has been honored as 1980 agricultural newsperson of the year by the California Farm Bureau Federation at its convention at Lake Tahoe.

Dollar attended Coronado schools and graduated from Coronado High School in 1941 and from the University of Missouri in 1948. He worked at the Riverside Press Enterprise and joined the Fresno Bee in 1950 becoming editor of the Country Life section 10 years later.

The California Newspaper Publishers Association has cited Dollar five times for his coverage of agricultural

news including a special Salute to Agribusiness section this past year. He has been honored by the Land Bank, Production Credit Association, 4-H Club, Soil Conservation Service and the Forest Service.

Laura T. Christian

Laura T. Christian, 57, died Feb. 6 in her Coronado home.

Born in Washington, D.C., March 21, 1922, Mrs. Christian resided in Coronado for the past 45 years.

She is survived by a son, Kemp Christian of Coronado; a daughter, Valerie Quate of Poway; six grandchildren; and a sister, Mrs. Harold Mitchener of North Carolina.

A memorial mass was

said for Mrs. Christian Feb. 11 at Sacred Heart Church. Cremation followed with ashes scattered at sea.

The Telophase Society of San Diego handled arrangements.

Serena Napolitano Mercurio

Serena Napolitano Mercurio, a native of Coronado, died Jan. 16 in a local hospital. She was 56.

Born July 9, 1923 in Coronado, Mrs. Mercurio was graduated from Coronado High School with the class of 1941 before moving to San Diego where she lived until her death.

A rosary and mass was said for Mrs. Mercurio at Blessed Sacrament Catholic Church followed by burial in El Camino Memorial Park in San Diego last Friday.

San Diego handled arrangements.

Mrs. Mercurio is survived by her husband, Leonard, and two daughters, Esther Mercurio and Mrs. Nina McCoy, all of San Diego; a son, Richard, of Hawaii; two grandchildren; two sisters, Mrs. Ann Todaro and Mrs. Viola Stromoski; two brothers, Robert and Michael Napolitano; and her mother, Mrs. Grace Napolitano, all of Coronado.

In lieu of flowers, the family suggests contributions to the Cancer Society.

5-IN MEMORIAM

CHRISTIAN In loving memory of our dear mother and grandmother Laura, who passed away February 6, 1980.

Then let me pluck the flowers that blow

And let me listen as I go

To music rare that fills the air;

And let hereafter songs and laughter

Fill every pause along the way;

And to my spirit let me say:

"O soul, be happy; soon tis trod

The path made thus for thee by God.

Be happy, thou, and bless His name,

By whom such marvelous beauty came."

And let no chance by me be lost

To kindness show at any cost.

I shall not pass this way again;

Then let me now relieve some pain,

Remove some barrier from the road,

Or brighten someone's heavy load;

A helping hand to this one lend,

Then turn some other to befriend.

The kiss of the sun for pardon,

The song of the birds for mirth.

One is nearer God's heart in a garden

Than anywhere else on earth.

Remembered with warmth, beauty and love by: Kemp and Shirley Christian, Valerie and Larry Quate, Loving Relatives, and Friends.

Bailiff, Denied Pay Hike, Quits With Blast at Bird

By **PHILIP HAGER**
Times Staff Writer

SAN FRANCISCO—The bailiff at the center of an unusual controversy within the state Supreme Court said Thursday he had given up his quest for a \$119-a-month pay increase and was retiring amid low morale on the court's staff.

At a 90-minute news conference, the bailiff, **Paul L. Ludlow**, distributed to reporters a series of court memoranda indicating an administrative power struggle between Chief Justice

Rose Elizabeth Bird and other members of the court.

Ludlow, reading from carefully prepared typewritten notes, made a wide range of allegations against Bird, whom he accused of "cronyism" and "favoritism" in administering court business.

"This is not vindictive," the 59-year old former state police officer said. "I just feel that the public, the taxpayers, have a right to know what's going on within the court. Conditions are such that 95% of the staff would retire if they were in a position to do so."

Among other things, Ludlow charged that promotions were being denied to deserving staff attorneys, that longtime employees were being "purged" while the chief justice surrounded herself with "personal allies" and that some of the justices themselves were being denied access to Bird.

Members of the court, he said, were surprised to find that members of Bird's staff had been eating lunch in the justices' conference room, the sanctuary where the court meets in closed session to discuss cases. A "furor" arose when the justices' conference table was rearranged to accommodate Bird's aides, he said.

An aide to the chief justice, asked for comment on Ludlow's charges, issued the following statement: "The chief justice is sorry Mr. Ludlow is angry that he did not get the raise he wanted before he retired. Yesterday the chief justice gave a party for him to wish him well on his retirement. She is happy to make those good wishes publicly as well."

The dispute over Ludlow caused a sharp division within the court over who has final authority over staff selection and pay: the justices collectively, acting as "the court," or the chief justice, who also chairs the Judicial Council, the administrative arm of the state court system.

old Tent City in Coronado. He worked in various capacities and was named executive assistant manager of Hotel del Coronado in 1953, a position he held until he retired in 1963.

He is survived by his widow, Elizabeth W.; two sons, Jay and John, both of the home, and his mother, Mrs. Christine M. Tiedemann of Coronado. The family suggests contributions to the Heart Fund.

5-IN MEMORIAM

CHRISTIAN In loving memory of our dear mother and grandmother Laura, who passed away February 6, 1980.

Then let me pluck the flowers that blow

And let me listen as I go
To music rare that fills the air;

And let hereafter songs and laughter
Fill every pause along the way;

And to my spirit let me say:
"O soul, be happy; soon tis trod

The path made thus for thee by God.
Be happy, thou, and bless His name,

By whom such marvelous beauty came."

And let no chance by me be lost
To kindness show at any cost.

I shall not pass this way again;
Then let me now relieve some pain,

Remove some barrier from the road,
Or brighten someone's heavy load;

A helping hand to this one lend,
Then turn some other to befriend.

The kiss of the sun for pardon,
The song of the birds for mirth.

One is nearer God's heart in a garden
Than anywhere else on earth.

Remembered with warmth, beauty and love by: Kemp and Shirley Christian, Valerie and Larry Quate, Loving Relatives, and Friends.

A ground breaking ceremony for expansion of Coronado Hospital's Emergency Department took place Feb. 9 with Joseph W. Cook, left, hospital administrator; Paul Vetter, DDS, chairman of the development committee for expansion of the emergency department; Fred Sandermann, vice president of the hospital foundation; Robert A. Bradt, board president; and Dr. John A. Kerley, president-elect of the medical staff.

Hospital growing by leaps

Official ground breaking ceremonies for Coronado Hospital's Emergency Department expansion took place last week with W. Paul Vetter, DDS, chairman of the hospital foundation's development committee, manning the jackhammer.

Joining him were board president Robert A. Bradt; Foundation vice president Fred A. Sandermann, Dr. John A. Kerley, president-elect of the medical staff, and hospital administrator Joseph W. Cook.

Interior construction on the expansion began in early February with the remodeling of the emergency room facilities.

Structural expansion of the exterior will begin Monday.

The 1,200 square foot ex-

pansion will provide a waiting room, expanded nurses' station, consultation rooms and storage areas.

The interior renovation will provide restrooms for wheelchair patients as well as additional storage space.

The development committee will launch a fund-raising effort for community support

of the expansion and renovation within the next few weeks.

The committee hopes to complete its campaign by July 1, the scheduled completion date of the construction and remodeling.

The expansion is the first major construction since the hospital was built in 1970.

BURL STIFF

"Meet the Brass" was the name of the game Friday night, as it always is at the Flag Officers Ball.

The 34th annual dinner-dance, sponsored by the San Diego Chamber of Commerce, attracted more than 400 guests to the Hotel del Coronado.

Admirals and generals, captains and colonels of this area's major commands were out in force, starched and snappy in their summer whites.

Betty and Cushman Dow (he is the Chamber president) were the couple in command.

Host couples were drawn from the ranks of past Chamber presidents and/or ball chairmen: like Jan and Carleton Lichty, Vangie and Dick Burt, Jane and John Murphy and Ruth and Dick Tullar.

Others who came to the aid of their party were Patricia and Dick Carlson, Char and David DeMotte, Barbara and Frank Hope Jr. and Yvonne and Dan Larsen.

The party started with cocktails in the hotel courtyard, then moved inside to the Grand Ballroom, with the Cameron Highlanders and their bagpipes leading the way.

Shoulder Board Set

Sunday, Betty Dow was at the Planned Parenthood garden art show in the Rancho Santa Fe home of Peggy and Herbert Crane. She not only supports the auxiliary, but also her paintings were among those on display.

Yesterday at 8:45 a.m. Betty was leading exercises at La Jolla Beach and Tennis Club. She's been teaching that class, called "Forty-five Minutes of Miracles" three times a week for six years.

And today she will be back at work on the annual **Flag Officers Ball** which is Aug. 29 in the Hotel Del Coronado ballroom. Betty, a Navy junior, and her husband, H. Cushman Dow, are chairpersons of the 34th ball which honors flag officers, captains and colonels of the San Diego major commands and their spouses. Members of the Navy League have been invited to attend, as well as senior military officers in the area.

Cocktails will be served in the garden patio at 7 p.m. with The Continental Strings playing, then at 8:15 p.m., the Cameron Highlanders pipe band will make its traditional appearance, to lead the way to the ballroom for dinner. The Joe Moshay Orchestra will play *softly* during dinner, then expand to full sound dance music later.

EHS student Alex Kiefer accepted to Annapolis

by Susan Hanf

At the EHS Honor Banquet many students and teachers were honored in many different areas. This year, however, one student was given a special tribute in a very different category. His name is Alex Kiefer, and he was accepted to the U.S. Naval Academy in Annapolis, Maryland.

Alex is the son of Mr. Ken Kiefer, who is a math teacher here at Estancia. Mr. Kiefer is very proud of his son for achieving such a high goal.

The U.S. Naval Academy is not just another college where all you have to do is send applications. Alex had to write to a Congressman and also receive a nomination from a Senator. This had to be done as well as having good grades and being able to pass a physical. Alex went beyond what was required of him and received nominations from both Senator Hayakawa and Congressman Badham. The school is more concerned with SAT scores than Grade Point Average (GPA) but Alex still manages to maintain a 3.8 GPA.

Alex's books, tuition, and anything else he may need for school are already paid for. He has only to worry about his own transportation

to Annapolis. The school offers a variety of majors but concentrates mainly on the physical sciences. After his four years of college, Alex is then required to join the Navy for five more years. His summers will be spent in physical training, and after his freshman year he will be working on ships or submarines.

Besides being accepted to Annapolis, Alex was also accepted to Washington, Oregon State, and UCLA, where he was offered a scholarship. Also, at the Honor Banquet Alex received the Bank of America award for Industrial Arts, in which he excels.

Alex has variety of widespread hobbies and talents. He is interested in running and is on the track and cross country teams. He is interested in fishing, , boating, skin diving, and almost anything else having to do with the water. Alex is very good at making fishing poles and lures which stems from his experience in Industrial Arts.

Alex enjoys playing the "Dungeons and Dragons" game, which according to his Dad he can spend all week-end doing. He is also interested in computers and worked hard to buy his own.
